The ultimate goal of the New Brunswick Collaborative Learning Mentorship Program (NB STAGES NB) is to increase the number of qualified interpreters in New Brunswick. NB STAGES NB is founded in research, community involvement, and the expertise of leading interpreter educators. Our 12 trained interpreting and ASL mentors are ready to offer recent AEIP graduates individualized mentoring in a supportive environment.

If you are among the 3 successful candidates invited to NB STAGES NB, which will run from August 31 2015 through July 2016, here is what you can expect:

- 10 months of remunerated interpreting while working with experienced mentors;
- 2 months of remunerated assignments; transitioning to independent work;
- Mentoring focused on specific, agreed upon professional goals;
- Active, ongoing involvement in the NB Deaf Community;
- Skill building in interpreting and interpersonal effectiveness.

In exchange, upon completion of the mentorship program, you will agree to work as an interpreter in New Brunswick for total of 3 years.
