

## MEMBERSHIP & SUBSCRIPTION FEES – 2017-2018

The following outlines the dual membership fees charged by AVLIC, and on behalf of the Affiliate Chapters, for each of the membership categories as well as for subscription services for the 2017 - 2018 membership year.

The membership year is from April 1st to March 31st annually. Membership fees are not pro-rated and regardless of when a person joins/renews, the renewal deadline for the next year remains March 31st. As an incentive for new members to join or expired/lapsed members to re-join, those that purchase a 2017-2018 membership between January 1 - March 31, 2017, will immediately be considered a member for the remainder of the current membership year at no additional cost.

Those wishing to join more than one Affiliate Chapter are charged the AVLIC portion once and then the corresponding chapter portion for each Affiliate Chapter joined.

**NOTE:** At the 2016 AVLIC AGM, the AVLIC membership ratified motions to increase AVLIC dues effective as of the 2017-2018 membership year. The increases to dues are as follows:

- ASL-English Interpreters \$70.00 increase
- Deaf Interpreters: \$40.00 increase
- LSQ-French Interpreters: \$40.00 increase
- LSQ-ASL Interpreters: \$40.00 increase
- Student Members: \$10.00 increase
- Subscription Services: \$20.00 increase

OASLI has implemented a 25% discount of their chapter portion of membership fees for Active Senior members, effective for the 2017 - 2018 membership year. For details about this decrease, including the applicable motion, contact the OASLI board directly.

**Late Renewal Fee** – members who do not renew their membership by the deadline of midnight on March 31, annually, will no longer be members in good standing; all benefits and privileges of membership will be considered lapsed.

To reinstate a lapsed membership, the member not in good standing must:

1. Meet the criteria of Active membership or the grandfather clause for Active membership; AND,
2. Pay the current year Active membership fee; AND,
3. Pay the Board-approved administration fee at the time of renewal [currently set at 25% of the AVLIC portion of the membership fees]<sup>1</sup>; AND,
4. If the membership is lapsed for more than one year, the member must pay the membership fees for the one (1) lapsed year with the option of paying the lapsed fees by installment. Active membership can lapse and be reinstated within a 2-year period.

Upon reinstatement, a member will have all benefits and privileges of Active membership including their status in the Canadian Evaluation System (CES) restored. (as per Motion WP14G-06<sup>2</sup>).

**\*Membership Leave** – allows Active members who are not earning interpreting income for one of the identified reason to pay only 25% of the AVLIC and Affiliate Chapter Active membership fee for no less than six months and no more than one year. During this time members will remain members but with an limited membership benefits within the associations. Please refer to the following web-link for more details: [www.avlic.ca/sites/default/files/docs/2014-10POLICY-MembershipLeave.pdf](http://www.avlic.ca/sites/default/files/docs/2014-10POLICY-MembershipLeave.pdf)

**\*\*Subscriber** – subscribers not considered a member of the Association, as per our Bylaw definition of members.

**\*\*\*Deaf Interpreter Student Memberships** – allows Deaf Interpreter applicants to be AVLIC student members while striving to acquire the qualifications to become Active Deaf Interpreters. This membership must be applied for and approved and cannot be maintained for more than four years.

 **ASLIA – ASSOCIATION OF SIGN LANGUAGE INTERPRETERS OF ALBERTA**

<sup>1</sup> Motion OT10G-28 (Amended): I move that AVLIC institute a late renewal policy that requires that members who do not renew their membership by the deadline have 30 days to pay the dues for that membership year plus a late-renewal fee of 25% without forfeiting the privileges and obligations of membership.

After 30 days all the privileges and obligations of membership will be forfeited. Members who wish to reinstate their membership in AVLIC at any time during the current membership year, must pay the full year's dues and the late payment fee.

<sup>2</sup> Motion WP14G-06: I move that beginning in the membership term 2015, AVLIC Active members who

---

do not renew their membership by the deadline of midnight on March 31, annually, will no longer be members in good standing; all benefits and privileges of membership will be considered lapsed.

To reinstate a lapsed membership, the member not in good standing must:

1. Meet the criteria of Active membership or the grandfather clause for Active membership; AND,
2. Pay the current year Active membership fee; AND,
3. Pay the Board-approved administration fee at the time of renewal; AND,
4. If the membership is lapsed for more than one year, the member must pay the membership fees for the one (1) lapsed year with the option of paying the lapsed fees by installment. Active membership can lapse and be reinstated within a 2-year period.

Upon reinstatement, a member will have all benefits and privileges of Active membership including their status in the Canadian Evaluation System (CES) restored.

RATIONALE: When membership fees are not renewed by March 31, annually, a member does not risk losing their Canadian Evaluation System (CES) status immediately. This practice is in line with other professional organizations; it offers a clear protocol for all members across Affiliate Chapters and it lessens the administrative burden of the current grace period.

Active membership can lapse and then be reinstated within a 2 year period (e.g. if membership lapses on March 31, 2014, membership must be renewed by March 31, 2016).

Members experiencing exceptional circumstances can apply for membership exemption as per the criteria outlined in the Membership Exemption policy (also known as Membership Leave).

This motion falls in line with WAVLI's provincial title protection.

This procedure is in response to feedback received from the Special Topic Session held Friday, July 11, 2014 [at the AVLIC 2014 conference in Winnipeg, MB].
